

UPDATE TO APRIL 30, 2010 VOLUNTARY RECALL

May 5, 2010

Dear Healthcare Professional:

I am writing to inform you of an important **UPDATE** to the voluntary recall from Friday, April 30, 2010. **CHILDREN'S ZYRTEC® PERFECT MEASURE® GRAPE (NDC - 50580-723-10)**, which was inadvertently omitted from the initial list of recalled products, is now included in the full product list below. It is important for healthcare professionals who may have received samples of this product to dispose of them immediately. You do not need to return the samples. For information on disposing of over-the-counter (OTC) medications, please go to www.smarxtdisposal.net.

The following communication below, with the exception of the added product above, is identical to the communication distributed on April 30, 2010. As with the other recalled products, this product is not being recalled on the basis of adverse medical events and no new quality issues have been identified.

McNeil Consumer Healthcare, Division of McNEIL-PPC, Inc., in consultation with the U.S. Food and Drug Administration (FDA), is voluntarily recalling certain OTC Children's and Infants' liquid products. The company is initiating this recall because some of these products may not meet required quality standards. McNeil is providing the following information to consumers on the www.mcneilproductrecall.com website.

McNeil Consumer Healthcare Announces Voluntary Recall of Certain OTC Infants' and Children's Products

McNeil Consumer Healthcare, Division of McNEIL-PPC, Inc., in consultation with the U.S. Food and Drug Administration (FDA), is voluntarily recalling all lots that have not yet expired of certain over-the-counter (OTC) Children's and Infants' liquid products manufactured in the United States and distributed in the United States, Canada, Dominican Republic, Dubai (UAE), Fiji, Guam, Guatemala, Jamaica, Puerto Rico, Panama, Trinidad & Tobago, and Kuwait. (SEE RECALLED PRODUCT LIST BELOW).

McNeil Consumer Healthcare is initiating this voluntary recall because some of these products may not meet required quality standards. This recall is not being undertaken on the basis of adverse medical events. However, as a precautionary measure, parents and caregivers should not administer these products to their children. Some of the products included in the recall may contain a higher concentration of active ingredient than is specified; others may contain inactive ingredients that may not meet internal testing requirements; and others may contain tiny particles. While the potential for serious medical events is remote, the company advises consumers who have purchased these recalled products to discontinue use.

The company is conducting a comprehensive quality assessment across its manufacturing operations and has identified corrective actions that will be implemented before new manufacturing is initiated at the plant where the recalled products were made.

Consumers can contact the company at 1-888-222-6036 and also at www.mcneilproductrecall.com. Parents and caregivers who are not sure about alternative pediatric health treatment options should talk to their doctor or pharmacist and are reminded to never give drug products to infants and children that are not intended for those age groups as this could result in serious harm.

For additional information, including affected NDC numbers, consumers should visit our website www.mcneilproductrecall.com or call 1-888-222-6036 (Monday-Friday 8 a.m. to 10 p.m. Eastern Time, and Saturday-Sunday 9 a.m. to 5 p.m. Eastern Time). Any adverse reactions may also be reported to the FDA's MedWatch Program by fax at 1-800-FDA-0178, by mail at MedWatch, FDA, 5600 Fishers Lane, Rockville, MD 20852-9787, or on the MedWatch website at www.fda.gov/medwatch.

Please note that the following pediatric samples listed below are a part of this product recall. Please dispose of these products immediately. For information on disposing of over-the-counter medications, please go to www.smarxtdisposal.net.

ADDED - CHILDREN'S ZYRTEC® PERFECT MEASURE® GRAPE (NDC - 50580-723-10)
CONCENTRATED TYLENOL® INFANTS' DROPS 1/4 OZ. GRAPE (NDC - 50580-144-40)

 CHILDREN'S ZYRTEC® SUGAR-FREE DYE-FREE 0.5 OZ. BUBBLEGUM (NDC - 50580-721-15)

Because of this recall, most of these products will not be available for your patients to purchase for some time. We are committed to bringing high quality products back to the marketplace. As always, we ask that you take the time to discuss the appropriate use of OTC medicines with your patients and remind them to never give drug products to infants and children that are not intended for those age groups as this could result in serious harm.

If you have any questions yourself, please call our Medical Affairs Department at 1-866-948-6883 (available Monday-Friday 8 a.m. to 8 p.m. Eastern Time) or visit our dedicated websites for Healthcare Professionals at TylenolProfessional.com or ZyrtecProfessional.com.

Sincerely,

Edwin K. Kuffner, MD
 Vice President, Medical Affairs
 McNeil Consumer Healthcare
